years. You can literally be a millionaire publishing your book on your own. In 2011, after my agent had exhausted his efforts finding my YA series a home, I decided to self-publish it. To date it's sold over 50,000 copies. That didn't exactly make me a millionaire, but it did help me see the huge potential of publishing books a little untraditionally. While self-publishing platforms like Kindle make it pretty easy to publish your book as an eBook, printing a book can be a costly business. But it doesn't have to be—it can actually be both free and easy. This book will walk you through an
