I've been looking online for a manual to my motherboard but have
not found one yet. It's a MS-7869 Ver. 1.0 in an Aspire
ATC-605-UB11. I'm planning on doing dome upgrades and would
like a copy of the motherboard manual before I start. You guys have
done a fantastic job answering my other questions so I'm hoping
someone has a link to the the manual.
