Online Library Algebra Interactive Notebook

Math interactive notebooks are a great hands-on tool to engage students in the content and process. It has been noted by researchers that interactive notebooks allow students to systematically organize information. Typically the right side of the notebook is teacher guided note taking, often in the form of a graphic organizer, foldable, or cut and paste.

~~Math Interactive Notebooks and Vocabulary – Maneuvering ...~~

Originally the purpose of an interactive notebook was to support students with organizing and understanding the content being presented in a classroom. In a sense creating an interactive notebook is a new way of taking notes for a variety of content areas. Being a “Tech Nerd” I took the idea of creating an Interactive Notebook to the digital level. This allowed for a group activity to create an interactive digital notebook which could be shared on a website, blog or sent via a link in an ...
