Life for private investigator Lizzy Gardner will never be the same. It's been three weeks since her fiancé, Jared, was shot on what was supposed to be their wedding day. He's in a coma now, and Lizzy is being forced to make a decision she might not be able to live with. But a string of deaths has forced her to get back to work. While they appear to be unrelated accidents at first glance, a closer look shows they all have something in common. More than a decade earlier, the victims were all members of the Ambassador Club at a Sacramento high school: a posh posse that bullied other students, one of whom remains tormented years later. In this pulse-pounding thriller from New York Times and USA Today bestselling author T.R. Ragan, Lizzy will need her colleagues and what's left of her wits to help her track down a cunning killer with a deadly revenge list before the next name--maybe hers--is crossed off for good.

Sacramento private investigator Lizzy Gardner is determined to find two missing women-- teenager Carol Fullerton, who vanished twenty-one years ago from a California highway and Diane Kramer, not seen for six months after emptying her saving account.

Lizzy Gardner was just seventeen when she was kidnapped by the psychopath known as Spiderman, a serial killer terrorizing her California hometown. Fourteen years later, Lizzy is a successful private investigator and self-defense instructor. Wracked with guilt over being the only victim to survive, she's devoted her life to helping others protect themselves from the horrors she endured, but a single phone call brings the terror of the past crashing back. Spiderman has returned.

A serial killer is terrorizing Sacramento, preying on happily married couples and unleashing unspeakable cruelties upon his victims. The ordeal rekindles disturbing memories for private investigator Lizzy Gardner, who barely escaped a serial killer's clutches only years ago. But while most Sacramento residents are hiding in the shadows, paralyzed by fear, Lizzy is compelled to go after the Lovebird Killer.

The biggest story of a crime reporter's career could be her last as fury, vengeance, and justice collide in this breathtaking thriller by New York Times bestselling author T.R. Ragan. Some call it murder. Others, karma. The female vigilantes dubbed The Black Wigs call it justice. The victims? Sexual predators who never paid for their sins. For three months, The Black Wigs byline has belonged to Sawyer Brooks, a crime reporter still struggling with her own demons. But for Sawyer, there's suddenly more to the story than just catching the dark web avengers. Copycat vigilantes are cornering the unchecked abusers of Sacramento and uploading the men's abject fear to social media. The trending insanity isn't making Sawyer's job any easier. Neither is a new murder--another predator, but one who doesn't fit so neatly into The Black Wigs' agenda. Something even more sinister is at play. As she follows every lead, someone with the answer is following her, determined to bring Sawyer to her knees. Because soon enough, for both Sawyer and a killer, the truth she's been looking for will be a punishing revelation.

Desperate for better ratings, radio psychologist Madeline Blair tells her listeners she's being stalked, unaware that her long-time listener and biggest fan, Seth Brown, will do anything to protect her. When her publicity stunt is revealed, Seth becomes enraged by her deceit and dangerously unhinged. When her friends mysteriously begin to vanish and damning evidence points to Madeline, she turns to private investigator Lizzy Gardner for help. Lizzy knows her way around a murderer's mind, after surviving her own horrifying ordeal at the hands of a serial killer years ago. As Lizzy closes in, Seth Brown is undeterred. Madeline wanted a stalker and now she has one. Nothing is going to stop him. He's obsessed.

Schoolteacher Faith McCann, the heroine of this searing first in a new crime series from Ragan (Evil Never Dies), returns one afternoon to her Sacramento, Calif., home to discover the members of her family bound and gagged: her husband, Craig, and their children, 10-year-old Lara and nine-year-old Hudson. The bad guys take the kids, slit Craig's throat, and leave Faith for dead after a vicious beating. After a stint in a drug-induced coma and intensive care, Faith finds new purpose in searching for Lara and Hudson and their captors. Frustrated by the slowness of the official investigation, Faith assaults a police detective and winds up in court-mandated anger control classes, where under the sobriquet “Furious” she meets “Rage” and “Beast.” Rage and Beast become unlikely allies in her effort to penetrate the world of human trafficking, the evils of which are highlighted in chapters revealing what happened to Lara and Hudson. Readers with strong stomachs will eagerly await the next installment.

For a private investigator on the trail of a missing girl, every second counts in a gripping thriller by New York Times bestselling author T.R. Ragan. On her first day of kindergarten, five-year-old Tinsley disappeared without a trace... Five agonizing years later, her divorced mother, Dani Callahan, is a private investigator. She and Quinn Sullivan, a promising young assistant determined to prove herself, are devoted to helping others find missing loved ones. And for Dani, finding Tinsley is still a never-ending obsession. Their newest case is Ali Cross, a teenager who vanished off a Sacramento street while walking home. A troubled boy's eyewitness testimony to Ali's abduction provides their only clues. And as their search for Ali gets underway, new information about Tinsley's disappearance begins to surface too. As their investigations lead down two twisting paths, disturbing secrets are revealed and new victims find themselves in mortal danger. Time is running out, and the hunt is only getting grimmer.

PI Jessie Cole is about to discover that there's no revenge too wicked as New York Times bestselling author T.R. Ragan's gripping series continues. When you search for the missing, there's no telling what you'll find. PI Jessie Cole learned that painful truth firsthand when her sister disappeared. Now a new case will test Jessie and Ben once again. Owen Shepard, the public face of one of the country's biggest health insurance companies, has become the target of a vengeful father. The man blames Shepard for his child's death and plans to make the CEO know what it's like to live with a broken heart--and watch others die. After killing two employees, the desperate father kidnaps Shepard's daughter. Tasked with finding her, Jessie and crime reporter Ben Morrison are running out of time to save her. Meanwhile, Ben is still seeking insight into the man he used to be before a car crash erased his memories. And each discovery is leading Jessie and him down a frightening road. What they find could scar both of them forever.

A string of copycat crimes leads a reporter down a terrifying path in a heart-stopping thriller by New York Times bestselling author T.R. Ragan. Crime reporter Sawyer Brooks still grieves for the family she and her two sisters never had. Raised in a house of horrors, they continue to fight through the trauma--releasing their rage by seeking justice for those who are just as vulnerable as they were. When a little girl's bones are unearthed in Sacramento's Land Park and twelve-year-old Riley Addison disappears, solving these cases becomes an obsession for Sawyer--one that puts her job at risk. Yet she can't turn back, and the deeper Sawyer's investigation goes, the darker it gets. A psychopath is on the loose and has been trolling Sacramento for years--hiding in plain sight behind a motherly facade. The more Sawyer persists, the closer she gets to a disturbing place reminiscent of her own terrorized childhood. With time running out, Sawyer will risk anything to save Riley from the dark. But the killer will do anything to keep her there.
