This book, which accompanies a UK travelling exhibition Alphonse Mucha: In Quest of Beauty, draws on the latest research to examine the theoretical aspect of his work, especially the idea of beauty – the core principle of his art. It features Mucha’s iconic posters and other decorative works from his Paris period and also looks at how the artist expressed his Czech nationalism with his artistic language after his return to his native Czech lands.

**Alphonse Mucha: In Quest of Beauty—About—Mucha Foundation**
