BIM and the small practice | NBS

Contrary to received wisdom that BIM is best suited to large practices working on major projects, David Miller has become something of a BIM evangelist for small practices, arguing that smaller businesses have a real opportunity at the moment to subvert the big boys who have to struggle with change management.

Bim In Small Practices Illustrated Case Studies | dev ...

There is a real need for BIM training and professional development and this need will only increase as BIM becomes a reality for more practices and as we move deeper towards Level 2 and 3 BIM. Some small practices may feel excluded from the BIM journey and the report explores this theme in some detail. But among those small practices which

NBS National BIM Report - buildingSMART

BIM in Small Practices: Illustrated Case Studies. By Robert Klaschka. BIM in Small Practices by Robert Klaschka was written to topple the misconception that BIM is a process that should be left to large practices only. The author highlights a collection of BIM projects that were created by small architectural practices.
