He shows how the 1935 communist revolt, prepared by Comintern agents, was a pivotal event in Brazilian history, making prophets of conservative alarmists and generating irresistible pressure for an authoritarian government to contain the Soviet threat. He details the Brazilian government's secret cooperation with the Gestapo during the 1930s and its concomitant efforts to forge an anti-Soviet front in the Southern Cone.

Between 1918 and 1961, Brazil and the USSR maintained formal diplomatic ties for only thirty-one months, at the end of World War II. Yet, despite the official distance, the USSR is the only external actor whose behavior, real or imagined, influenced the structure of the Brazilian state in the twentieth century. In *Brazil and the Soviet Challenge, 1917-1947*, Stanley Hilton provides the first ...

Brazil also has a strong democracy and premier position in Latin America. However the challenges are also significant. Brazil is the only country in the Americas to speak Portuguese, so the language barriers are challenging. Its vast size and poor infrastructure makes it difficult to access consumers outside the main cities.

History. The first diplomatic relations between Brazil and Russia started on October 3, 1828, being the first South American country with which Russia formalized ties. In 1876, the Emperor of Brazil, Dom Pedro II, paid a private visit to Russia. The diplomatic relations were interrupted twice: in 1917, after the October Revolution (being reestablished on April 2, 1945)
