Clarity: Clear Mind, Better Performance, Bigger Results ...

In 2013, Smart wrote his first book CLARITY: Clear Mind, Better Performance, Bigger Results. The book discusses the use of implication-based learning for achieving mental clarity. Smart suggests that mind has its own "self-clearing" capacity. In the book, he writes about the misperception that circumstances are responsible for feelings.

?Clarity on Apple Books

A good run can sometimes make you feel like a brand-new person. And, in a way, that feeling may be literally true. About three decades of research in neuroscience have identified a robust link between aerobic exercise and subsequent cognitive clarity, and to many in this field the most exciting recent finding in this area is that of neurogenesis.

Clarity, Clear Mind, Better Performance, Bigger Results by ...

Mental clarity can escape anyone. Surely even Einstein had moments where he looked at a page full of formulas and had no idea what they meant; and Shakespeare probably sat there, pen in hand, while no words came out of his head. It happens. However, mental clarity is something you can create quickly on the spot.
