Distinctive architecture reflecting lifestyles from around the world. Many designs by famous architects. Reflects traditional and contemporary design. Stunning photographic images.

The latter part of the 3rd millennium BC witnessed severe dislocations in the social, economic and political structures of the lands at the eastern end of the Mediterranean Sea - the Levant. In the south, in what is now Israel, the Palestinian Territories and Jordan, hitherto thriving urban centres disappeared, to be replaced for several centuries

Architecture has attracted increasing worldwide attention in recent years, not only because of its cultural significance but also because of concern over the performance and resource implications of buildings. 101 in-depth articles by international scholars and practitioners bring the subject into focus by examining issues from various viewpoints. Please contact your representative for a leaflet detailing full contents and contributors. It also includes sample pages and several illustrations from the book.
