Jacobs is one of the most known English storytellers of folk tales and fairy tales, and his work also helped preserve ballads, after he wrote them as tales. He later published a second volume, More English Fairy Tales. Another notable literary figure in English folklore is Flora Annie Steel, author of English Fairy Tales. Steel took on some of the popular folk tales in England at the time of publication, and shared them with a new audience.

In English folklore, however, a boggart was a kind of evil creature which attached itself to families or households and was a nuisance. According to traditional fairy tales, boggarts love to hide in dark spaces, such as unused attics or cellars, cupboards, or under beds. They were sometimes described as shape-shifters. Boggarts were the source of many misfortunes in the home: They broke things, turned food sour or rotten, and made the house creak, among other things.

W HO says that English folk have no fairy tales of their own? The present volume contains only a selection out of some 140, of which I have found traces in this country. It is probable that many more exist. A quarter of the tales in this volume have been collected during the last ten years or so, and some of them have not been hitherto published.

English folktales England is a country in Europe, part of the United Kingdom. The English nation had a big cultural impact on the world. The collection of folktales from England consists of three books with 128 folktales.

**Welcome to the English folktales page! - World of Tales**

(1911 edition) Joseph Jacobs writes very well indeed and has made a laudable effort to bring together old English folk tales and fairy stories before they are lost in the mists of time, in a similar way to what the Brothers Grimm and Perrault did around this time.

**English Fairy Tales by Joseph Jacobs - Goodreads**

Read Folktales for kids from all over the world. These stories for kids include folktales (folk tales) such as fairy tales (fairytales), legend stories, riddle stories, myths, poems and more! All of our stories for kids contain positive morals to inspire children with themes of kindness, generosity and friendship.

Master storyteller, social historian, and folklorist Sybil Marshall scoured English history to bring together a fascinating collection of folk tales in one glorious edition. Out-of-print for over thirty years, Overlook is re-issuing this bewitching book to enchant a new audience. From the great mass of folk tales that exists, Sybil Marshall has chosen a wide variety of stories, retelling them with wit and suspense. We have her tales of the little people and of giants, of the Devil and the saints, and supernatural and moral tales. Let Sybil Marshall lead you through the old English countryside, exploring the beliefs and legends of time gone by. This beautifully packaged edition, complete with wood engraved illustrations by John Lawrence, will entertain, educate, and ensnare audiences of all ages.

How to get into this book. Knock at the Knocker on the Door, Pull the Bell at the side. Then, if you are very quiet, you will hear a teeny tiny voice say through the grating "Take down the Key." This you will find at the back: you cannot mistake it, for it has F. F. in the wards. Put the Key in the Keyhole, which it fits exactly, unlock the door and Walk In. -- Half title verso.

The first compilation of the full first-edition texts of the classic fairy tale collections by Joseph Jacobs, with Jacobs' original prefaces and annotations. \* Reprints Jacobs' original versions of these 87 classic tales exactly as they were first published more than a century ago \* Illustrated with the original block prints by John Batten

12 classic English fairy tales and their history, from tales of dragons to Robin Hood. Folk tales and legends are an intrinsic part of English national culture. In his book, Rosalind Kerven has revived the best English fairy tales for a new generation. These are stories of giants, dragons, fairies and Arthurian Romance. Together, they form a perfect introduction to the different types of traditional stories and their place in English oral and written heritage. Each tale is linked with a specific place or county in England: 'The Dragon Castle' from Northumberland, 'The Girl Snatched By Fairies' from County Durham, 'The Princess and the Fool' from Kent and 'The Dark Moon' from Lincolnshire. The book also includes notes on each story: the history and where it came from, its development and short summaries of many related or similar stories.

Forty-three tales of fairies, giants, and foolish ones from the folklore that served to amuse the unlettered classes of "Merrie England."

Fairy tales are written both to entertain and to educate. Published in the shadow of the First World War, F. A. Steel's retellings of forty-one English fairy tales form a classic collection of stories, ranging from the familiar - 'Jack and the Beanstalk', 'Little Red Riding-Hood' and 'The Three Little Pigs' - to the perhaps less well known - 'The Black Bull of Norway', 'Nix Nought Nothing' and 'The Red Ettin'. Originally published in 1918, it reflects the nationalistic concerns of the period. Steel takes the reader on a journey, from Cornwall to Bamburgh Castle via a palace by the sea, as well as high into the sky, where a giant lives. The magical tales in English Fairy Tales are brought to life by one of the best-known illustrators of the time, Arthur Rackham. Designed to appeal to the book lover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.

English translation of sixty-three tales from the Grimm's Kinder- und Hausmärchen, including the classic Rapunzel, Hansel and Gretel, Little Red Riding Hood, Tom Thumb, and Rumpelstiltskin.

A collection of twenty-five traditional fairy tales from the folklore of many countries of Europe.

English Fairy Tales author: Joseph Jacobs A word or two as to our title seems necessary. We have called our stories Fairy Tales though few of them speak of fairies. The same remark applies to the collection of the Brothers Grimm and to all the other European collections, which contain exactly the same classes of tales as ours. Yet our stories are what the little ones mean when they clamour for "Fairy Tales," and this is the only name which they give to them. One cannot imagine a child saying, "Tell us a folk-tale, nurse," or "Another nursery tale, please, grandma." As our book is intended for the little ones, we have indicated its contents by the name they use. The words "Fairy Tales" must accordingly be taken to include tales in which occurs something "fairy," something extraordinary—fairies, giants, dwarfs, speaking animals. It must be taken also to cover tales in which what is extraordinary is the stupidity of some of the actors. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
