A treasury of Jewish comic book art collects the work of such top names as Will Eisner, Jules Feiffer, and Art Spiegelman, in a volume that is complemented by pictorial essays that trace the Jewish involvement in comic art.

From the bestselling 1001 series, comes a collection of 1001 quotations from numerous brilliant minds of the Ancient World through to the present day. With quotes from everyone including Marcus Aurelius, Sun Tzu, Shakespeare and Nietzsche through to Ellen DeGeneres, Nelson Mandela, Mark Zuckerberg and Monty Python's Flying Circus, there is an immense range of ideas, witticisms and musings to ponder. The quotations cover a wide range of topics, including art and literature, culture, philosophy, politics, psychology and religion, made accessible and brought to life by being placed in their historical contexts and accompanied by a wealth of illustrations.

Discover the art of kogin, a style of traditional Japanese sashiko embroidery with modern appeal. Historically, kogin was used as a pattern darning technique to reinforce threadbare fabric and add warmth to the clothing worn by farmers in the villages of northern Japan. With dozens of beautiful and simple geometric patterns, kogin embroidery offers fresh inspiration and authentic technique to proponents of the decorative mending movement. Colorful photos offer step-by-step instruction for learning this simple counted thread embroidery technique. Beginners will discover how to prepare the thread and fabric, how to read kogin charts, and how to make the basic straight stitches that comprise kogin motifs. Once you've mastered the basics, try your hand at one of the 25 adorable and easy projects included in the book. Featuring bright and modern color schemes, these accessories are designed for contemporary life. You'll find and assortment of pretty brooches, barrettes and hair ties, pouches and coin purses, framed samplers, pincushions, and ornaments, plus potholders, coasters, and placemats for the home. Once you get started stitching, we guarantee you won't be able to stop!

A young Pennsylvania boy takes part in the pre-Civil War anti-slavery activities.

A basic anthology of modern Korean literature.

The Skit Guys--the wildly popular comedy duo--deliver 20 side-splitting skits for your children's ministry. You'll find entertaining faith-focused skits on a variety of topics you can use as a boost to your messages and lessons for kids. Each skit comes with five discussion questions to engage kids in faith discoveries. You'll get 20 impactful and power-packed skits, including: " Creation " Noah's Ark " David & Goliath " Jonah & the Big Fish " Daniel in the Lions' Den " And 15 additional skits to go with your Bible lessons. With Sticky Bible Skits, your kids will have fun presenting--and watching--Bible truths come to life. Kids will be excited to share what they've learned and eager to come back next week. Make Sticky Bible Skits a part of your ministry to kids so they'll learn about the Bible in ways they'll never forget.

Georgia Odyssey is a lively survey of the state ' s history, from its beginnings as a European colony to its current standing as an international business mecca, from the self-imposed isolation of its Jim Crow era to its role as host of the centennial Olympic Games and beyond, from its long reign as the linchpin state of the Democratic Solid South to its current dominance by the Republican Party. This new edition incorporates current trends that have placed Georgia among the country ' s most dynamic and attractive states, fueled the growth of its Hispanic and Asian American populations, and otherwise dramatically altered its demographic, economic, social, and cultural appearance and persona. " The constantly shifting cultural landscape of contemporary Georgia, " writes James C. Cobb, " presents a jumbled panorama of anachronism, contradiction, contrast, and peculiarity. " A Georgia native, Cobb delights in debunking familiar myths about his state as he brings its past to life and makes it relevant to today. Not all of that past is pleasant to recall, Cobb notes. Moreover, not all of today ' s Georgians are as unequivocal as the tobacco farmer who informed a visiting journalist in 1938 that " we Georgians are Georgian as hell. " That said, a great many Georgians, both natives and new arrivals, care deeply about the state ' s identity and consider it integral to their own. Georgia Odyssey is the ideal introduction to our past and a unique and often provocative look at the interaction of that past with our present and future.

A practical, easy to implement, step-by-step guide to the program developed by Dr Natasha Campbell-McBride to heal "gut and psychology syndrome": an array of mental and physical symptoms arising from an imbalance in gut flora.

Presents methods to identify vulnerabilities and take appropriate countermeasures to prevent and mitigate failure risks for an organization.
