Amazon.com: Customer reviews: GMAT Official Guide 2019 ...

Books are good, received in good condition. But it's like fooling the customer. The official guide 2019 is containing both verbal and quant questions. It also contains integrated reasoning and AWA QUESTIONS. This alone is sufficient. The official guide quant review and Verbal review is just like dividing a thick book in two parts with IR and AWA being absent. They contain same questions as in the thick book combined.
