Few books on Ordinary Differential Equations (ODEs) have the elegant geometric insight of this one, which puts emphasis on the qualitative and geometric properties of ODEs and their solutions, rather than on routine presentation of algorithms. Can you love the one you hate? Lindsay is determined to outshine her mother's illustrious career. As head of marketing for the exclusive Freeman Hotel, in the rarefied mountains of northern Washington, Lindsay grapples with her rival, the charming newcomer, Lucifer Furey Pierce. No one knows much about Luke except he could turn murder into a comedy routine, that he likes classy women and is oddly drawn to the prickly, definitely not-interested Lindsay. It starts with a bet that goes horribly wrong. If Lyndsay wins, then Luke leaves town—forever. If Luke wins, he gets a date with Lyndsay. But when Luke wins and Lindsay is forced to pay the price, she learns more about Lucifer Furey Pierce than she thought existed. The date kick-starts a bitter-sweet journey as they learn why they are the people they have become. Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."
