And we've played fast and loose with the definition of fast food: yes you've got burgers and fries and wraps, but you've also got food that you can make fast (and that'll make you happy) like pastas and salads and ice creams. Let's celebrate food that's colourful, delicious and full of micronutrients. And fast.

2. The Dutch House. If you're looking for a good read, or even better, a good listen, I highly recommend The Dutch House (affiliate link), narrated by Tom Hanks. He takes a man already beautifully crafted story and performs it so masterfully, it is easily one of my favorite audiobooks of the year.
