David Henry Hwang's beautiful, heartrending play featuring an afterword by the author – winner of a 1988 Tony Award for Best Play and nominated for the 1989 Pulitzer Prize Based on a true story that stunned the world, *M. Butterfly* opens in the cramped prison cell where diplomat Rene Gallimard is being held captive by the French government—and by his own illusions. In the darkness of his cell he recalls a time when desire seemed to give him wings. A time when Song Liling, the beautiful Chinese diva, touched him with a love as vivid, as seductive—and as elusive—as a butterfly. How could he have known, then, that his ideal woman was, in fact, a spy for the Chinese government—and a man disguised as a woman? In a series of flashbacks, the diplomat relives the twenty-year affair from the temptation to the seduction, from its consummation to the scandal that ultimately consumed them both. But in the end, there remains only one truth: Whether or not Gallimard's passion was a flight of fancy, it sparked the most vigorous emotions of his life. Only in real life could love become so unreal. And only in such a dramatic tour de force do we learn how a fantasy can become a man's mistress—as well as his jailer. *M. Butterfly* is one of the most compelling, explosive, and slyly humorous dramas ever to light the Broadway stage, a work of unrivaled brilliance, illuminating the conflict between men and women, the differences between East and West, racial stereotypes—and the shadows we cast around our most cherished illusions. *M. Butterfly* remains one of the most influential romantic plays of contemporary literature, and in 1993 was made into a film by David Cronenberg starring Jeremy Irons and John Lone.

Winner of the Tony Award for Best Play, nominated for the Pulitzer Prize for Drama, and soon to be back on Broadway in a revival directed by the Lion King's Julie Taymor, starring Clive Owen "A brilliant play of ideas... a visionary work that bridges the history and culture of two worlds."—Frank Rich, *New York Times* Based on a true story that stunned the world, and inspired by Giacomo Puccini's opera *Madama Butterfly*, *M. Butterfly* was an immediate sensation when it premiered in 1988. It opens in the cramped prison cell where diplomat Rene Gallimard is being held captive by the French government—and by his own illusions. The original cast included John Lithgow as Gallimard and BD Wong as Song Liling. During the show's 777-performance run, David Dukes, Anthony Hopkins, Tony Randall, and John Rubinstein were also cast as Gallimard. Hwang adapted the play for a 1993 film directed by David Cronenberg, starring Jeremy Irons and John Lone. TEXT OF THE BROADWAY REVIVAL

This book is a collection of memories and experiences Drake lived after the death of one of his brothers. He promised he would write him a few words after he failed to complete the task while his brother was alive. THE STORIES: THE DANCE AND THE RAILROAD. While his fellow workers are striking for higher pay, Lone, once an actor in China, exercises and practices alone on a mountaintop the ritual gestures used in Chinese opera. Ma, a slightly younger man, who w

The contributors awareness of the innate ambiguity of the terms sacred and performance provides an animated discussion of their relationship, including a variety of differing critical responses to an array of plays, texts and performances. The book examines not only the structural understandings and functions of the sacred in theatre, but also experimental and personal experiences. Sacred Theatre examines both theatrical and more multi-disciplinary approaches to the sacred, offering stimulation for discussion within performance and theatre teaching.

"Tragic, operatic, touching, and hilarious . . . Liaison is about romantic love in its purest, craziest form—proof anew that the greatest erogenous zone is the mind."—Shana Alexander The true story that inspired David Hwang's play "M Butterfly", about a French diplomat, Bernard Boursicot, posted to Peking, who fell in love with a seductive opera singer, named Shi Pei Pu, apparently unaware that Pei Pu was a man. Their liaison "produced" a son, and led them into espionage and finally to gaol in France. Joyce Wadler spent four years researching the story, and finally persuaded Boursicot to break his silence and explain his side of the story. NOTE: This edition does not include photos.

Madame Butterfly (1898) and A Japanese Nightingale (1901) both appeared at the height of American fascination with Japanese culture. These two novellas are paired here together for the first time to show how they defined and redefined contemporary misconceptions of the "Orient." This is the first reprinting of A Japanese Nightingale since its 1901 appearance, when it propelled Winnifred Eaton (using the pseudonym Onoto Watanna) to fame. John Luther Long's Madame Butterfly introduced American readers to the figure of the tragic geisha who falls in love with, and is then rejected by, a dashing American man; the opera Puccini based upon this work continues to enthral audiences worldwide. Although Long emphasized the insensitivity of Westerners in their dealings with Asian people, the ever-faithful Cho-Cho-San typified Asian subservience and Western dominance. A Japanese Nightingale takes Long's revision several steps further. Eaton's heroine is powerful in her own right and is loved on her own terms. A Japanese Nightingale is also significant for its hidden personal nature. Although Eaton's pen name implied she was Japanese, she was, in fact, of Chinese descent. Living in a society that was virulently anti-Chinese, she used a Japanese screen for her own problematic identity, and A Japanese Nightingale tells us as much about the author's struggle to embrace her Asian heritage as it does about the stereotypes she contests.

(Applause Books). "The best way I know to resuscitate the theatre is to produce dangerous new works." Stuart Ostrow. Producer Stuart Ostrow's manifesto of how intelligent life might be restored to the theatre is also a unique personal memoir of the producer-creator relationship and an evaluation of the essentials that can make a show fly, or remain earthbound. As a solo producer, Ostrow's many productions include *M. Butterfly*, which won the Tony Award for Best Play; *Pippin*; and *1776*, which received both the New York and London Drama Critics Awards as well as the Tony Award for Best Musical. He produced the original Broadway production of the critically acclaimed *La Bete*, which won the Olivier Award in London for Best Comedy. Ostrow was brought in to fix the original production of *Chicago*, collaborated with Anthony Hopkins on a London production of *M. Butterfly*, that was not meant to be, and even had his own play, *Stages*, directed on Broadway by the avant-garde theatrical pioneer Richard Foreman. He riffs about the heroes and heels he's met along the way and that great cast includes Frank Loesser, Meredith Willson, Mel Brooks, Mike Nichols, Bob Fosse, David Geffen, Andrew Lloyd Webber, David Henry Hwang, John Kander, Fred Ebb, and many more.
