Buy Human Resource Management | Fifteenth Edition | By ...

In addition to the 14th edition of Human Resource Management, the book has been translated into Spanish (Administracin de Recursos Humanos, Prentice Hall, 1997, 2001, and 2005), and Chinese (Prentice Hall, 1998, 2002, 2005, and 2011). A special 2008 two-part international edition of the 10th edition was prepared for India, Bangladesh, Bhutan, Pakistan, Nepal, Sri Lanka, and the Maldives.

Human Resource Management provides readers with a complete, comprehensive review of essential personnel management concepts and techniques in a highly readable and understandable form. Coverage emphasizes essential themes throughout the book, including the building of better, faster, more competitive organizations through HRM; practical applications that help all managers deal with their personnel-related responsibilities; and technology and HR. Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing careers and fair treatment; establishing pay plans; pay-for-performance and financial incentives; benefits and services; labor relations and collective bargaining; employee safety and health; managing human resources in an international business; human resources information systems and technology. For practicing Human Resource Managers as well as any business managers who deal with human resource/personnel issues.

This market-leading text takes a pragmatic approach emphasizing the strategic role of human resources. Comprehensive, research-based coverage includes all major topics identified on the Human Resource Certification Institutes Content Outline. Coverage includes a global chapter, expanded coverage of diversity, new material on performance management, and current hot topics such as self-directed work teams, shamrock organization, broadbanding, competency-based pay systems, job security, violence in the workplace, and how organizational commitment affects production, quality, and service.

This revised edition is a comprehensive, authoritative set of essays. It is more detailed and analytical than the mainstream treatments of HRM. As in previous editions, Managing Human Resources analyses HRM, the study of work and employment, using an integrated multi-disciplinary approach. The starting point is a recognition that HRM practice and firm performance are influenced by a variety of institutional arrangements that extend beyond the firm. The consequences of HRM need to incorporate analysis of employees and other stakeholders as well as the implications for organizational performance.

Concise and practical, "Managing Human Resources, Third Edition" will help you gain a mastery of those issues while you learn the skills you'll need as a manager of people. Using a managerial perspective, the book illustrates the role and impact of technology on globalization, compensation, legal, safety, and health issues. A host of timely features make this book interesting and thought-provoking: The Managerial Perspective, a new introduction for every chapter, focuses on the managerial perspective and summarizes why the material is relevant to managers. Managerial Skill Builder: Issues and Exercises, an end-of-chapter feature, presents a managerial situation relevant to each chapter topic and concludes with questions, issues, exercises, and group projects. Manager's Notebook, located in every chapter, illustrates procedures, tips, and strategies you can really use in management. You Manager It! Discussion Cases, found at the end of every chapter, focus on human resources issues from a manager's perspective and encourage you to think critically. Technology and its influence on human resources information is addressed in every chapter. Globalization and its effect on human resources practices is discussed throughout the book, and the authors address the unique human resources problems faced by multinational organizations. The authors and Prentice Hall are committed to providing a unique learning and teaching package to accompany this third edition. New to this edition: Skills Live! Videos offer dramatizations that highlight a human resources skill related to each part of the text. These videos allow students the opportunity to see what it's like to conduct an interview, give performance appraisals, deal with sexual harassment issues, and more. PHLIP/CW Web Site (www.prenhall.com/gomez) provides full academic support for both professors and students. Instructors can find answers to current events and Web exercises, download ancillary materials, and more. For students, there is an on-line study guide, current events articles and exercises, Web exercises, and more.

Management of Human Resources focuses on student learning and self-study, and introduces the evolving role and accountabilities of HR professionals as strategic business partners at the boardroom table. Appropriate for both future HR Professionals and future line managers, it references the RPCs that are necessary for certification while balancing this with the line manager's perspective, showing the importance of HRM in daily interactions and in achieving corporate objectives Note: If you are purchasing an electronic version, MyHRLab does not come automatically packaged with it. As competitors strive to win the war for talent, effective human resource management is necessary to gain true competitive advantage in the marketplace. Three challenges companies face are sustainability, technology, and globalization. Human Resource Management 5th Edition brings these challenges to life by highlighting real-world examples pertaining to these issues and relating it to the concepts within the chapter. This best-selling McGraw-Hill/Irwin Human Resource Management title provides students with the technical background needed to be a knowledgeable consumer of human resource (HR) products and services, to manage HR effectively, or to be a successful HR professional. While clearly strategic in nature, the text also emphasizes how managers can more effectively acquire, develop, compensate, and manage the internal and external environment that relates to the management of human resources.

Wayne Cascio's Managing Human Resources, 6/e, is perfect for the general management student whose job inevitably will involve responsibility for managing people. It explicitly links the relationship between productivity, quality of work life, and profits to various human resource management activities and, as such, strengthens the students' perception of human resource management as an important function, which affects individuals, organizations, and society. It is research-based and contains strong links to the applicability of this research to real business situations.
