healthcare professionals seeking to boost their English language proficiency in the workplace through consolidation, extension and application of their existing grammar knowledge to a range of healthcare settings. Grammar Booster for OET Nursing provides the opportunity to develop more effective communication skills for use in a range of healthcare settings through increased awareness of grammar forms presented and practised in context. Grammar Booster for OET Nursing is ideal for healthcare students and professionals who:

- have a current minimum English language proficiency of Upper Intermediate level (CEFR B2)
- plan to have their English language proficiency assessed through the Occupational English Test (OET).
- wish to build their confidence to become more effective communicators in the workplace.

Grammar Booster for OET Nursing is a user-friendly grammar resource which can be used for independent study or adapted for classroom use to support specialised English language nursing courses, including English for Academic Purposes (EAP) for Nursing and OET preparation courses. Grammar Booster for OET Nursing offers ten units. Units 1-9 are stand-alone units, each of which addresses a key grammar area that may cause difficulty for learners. Units 1-9 include:

- an introductory setting to showcase the grammar area for development
- a Grammar Boost section to provide examples and explanations
- practice tasks to develop proficiency in applying the grammar structures to healthcare contexts.
- answer keys for the practice tasks in each unit at the back of the book.

Unit 10 is a Review Unit designed to recycle all key grammar areas explored and practised in Units 1-9 and has an answer key for the review tasks at the back of the book.

If you are looking for the best guide to the Occupational English Test, your search is over. This is exactly what you need to score A/B grade in the OET exam! This book gives you the essentials you need to score A/B grade on the OET Speaking and Writing modules including the most effective strategies, comprehensive practice and precise description of how the modules are scored. The book also includes:

- 12 full-length Speaking role plays and 10 Writing Tasks with answer expectations.
- Review of important concepts, including vocabulary.
- Detailed overview of the Speaking and Writing assessment criterion and advice to improve your grade.
- Effective and reliable strategies to optimize your study time

This book provides students with a comprehensive overview of Australian and international public health issues and contexts. It explores recent changes in the local public health field, as well as complex global public health issues, and engages with the political and cultural impacts these have on public health systems. The book aims to deepen students' understanding of the determinants of health, historical and theoretical perspectives of public health, and current health research. Through consideration of new perspectives, it introduces the latest public health discourses and explores issues of health promotion and health inequalities that inform much of the understanding of public health today. Drawing on more than 25 years' experience,

Pranee Liamputtong leads a stellar author team to present this essential resource. Each chapter includes learning objectives, key words, tutorial exercises and further reading, as well as illustrative and informative case studies to aid students' understanding of key concepts.

This book is your must-have if you are preparing for the OET writing test. Written by an experienced OET trainer after intensive research, this book delves deeply into each assessment criterion and stages of writing the letter, which, when used together, will have a substantial learning impact and develop the skills needed to pass the test with a score of 350 or above. It offers practical and efficient techniques for maximizing your score, along with extensive practice on 19 practice tests and essential grammar concepts. Each practice test is followed by a detailed explanation that allows you to develop the strategic thinking necessary for approaching the writing task. This book includes:

- Detailed guidance on the revised assessment criteria with advice to improve your score in each criterion
- A review of important grammar concepts with a range of structured tasks within practice tests
- An overview of some common student mistakes
- 19 practice tests with answer expectations and detailed explanations for structuring your letter effectively
- Effective strategies to optimize your study time
