Quartered Safe Out Here: A Recollection of the War in Burma is a military memoir of World War II written by the author of The Flashman Papers series of novels George MacDonald Fraser that was first published in 1993.

Quartered Safe Out Here - Wikipedia

Quartered Safe Out Here has now joined that short list. MacDonald Fraser is the acclaimed author of the Flashman series of historical fiction, but here he reveals his own experience as an infantryman in merciless combat against the Japanese in Burma. Here is an all-too-vivid recollection of the fear, pain, d

Quartered Safe Out Here eBook: Fraser, George MacDonald ...

Quartered Safe Out Here is a memoir of George MacDonald Fraser's wartime experiences as a soldier in Burma in the last year of World War II. He was only nineteen when he came to Burma, and the war was already wending to a close -- first in Europe, then in Asia --, but the combat was no less fierce for that -- and, in some cases, more desperate.

Quartered Safe Out Here - George MacDonald Fraser

This makes Quartered Safe Out Here a treat to those unfamiliar with such accents, though Fraser's contractions, notes and re-creation of how soldiers really talk ultimately provide a wonderful window into the human spirit under the most terrible of circumstances.

¶There is no doubt that [Quartered Safe Out Here] is one of the great personal memoirs of the Second World War¶ John Keegan

"A moving and penetrating contribution to the literature of the Burma campaign." Max Hastings, Daily Telegraph

George MacDonald Fraser's hilarious stories of the most disastrous soldier in the British Army are collected together for the first time in one volume. Private McAuslan, J., the Dirtiest Soldier in the World (alias the Tartan Caliban, or the Highland Division's answer to the Pekin Man) first demonstrated his unfitness for service in The General Danced at Dawn. He continued his disorderly advance, losing, soiling or destroying his equipment, through the pages of McAuslan in the Rough. The final volume, The Sheikh and the Dustbin, pursues the career of the great incompetent as he shambles across North African and Scotland, swinging his right arm in time with his right leg and tripping over his untied laces. His admirers know him as court-martial defendant, ghost-catcher, star-crossed lover and golf caddie extraordinary. Whether map-reading his erratic way through the Sahara by night or confronting Arab

rioters, McAuslan's talent for catastrophe is guaranteed. Now, the inimitable McAuslan stories are collected together in one glorious volume.

"If ever there was a time when I felt that 'watcher-of-the-skies-when-a-new-planet' stuff, it was when I read the first Flashman." P.G. Wodehouse The first novel in the Flashman series Fraser revives Flashman, a caddish bully from Tom Brown's Schooldays by Thomas Hughes, and relates Flashman's adventures after he is expelled in drunken disgrace from Rugby school in the late 1830s. Flashy enlists in the Eleventh Light Dragoons and is promptly sent to India and Afghanistan, where despite his consistently cowardly behavior he always manages to come out on top. Flashman is an incorrigible anti-hero for the ages. This humorous adventure book will appeal to fans of historical fiction, military fiction, and British history as well as to fans of Clive Cussler, James Bond, and The Three Musketeers.

From the thirteenth to the sixteenth centuries, outlaws reigned supreme on the contentious frontier between England and Scotland. Feud and terror, raid and reprisal, were the ordinary stuff of life—and a way of survival. Power was held by the notorious border reivers (the "steel bonnets," named for their flashy helmets), who robbed and murdered in the name of family: the famous clans (or "grains")—like Elliot, Armstrong, Charlton, and Robson—romanticized by Sir Walter Scott. In *The Steel Bonnets*, George MacDonald Fraser, author of the bestselling Flashman novels, and himself a borderer, tells the fascinating and bloody story of the reivers, their rise to power as ferocious soldiers of horse, and their surprisingly sudden fall from grace.

—An afternoon's reading that'll stick in the memory for long afterwards. Hooray for George MacDonald Fraser! —The Spectator

For this riotous Edwardian caper, the author of the bestselling "Flashman Papers" presents a raucous adventure that brings America's Wild West to London's West End and features arch-cad Harry Flashman.

The second part of the bestselling novelist's dramatic autobiography about his time in the Gurkhas during the second world war This is the second part of John Masters' autobiography: how he fought with his Gurkha regiment during World War II until his promotion to command one of the Chindit columns behind enemy lines in Burma. Written by a bestselling novelist at the height of his powers, it is an exceptionally moving story that culminates in him having to personally shoot a number of wounded British soldiers who cannot be evacuated before their position is overrun by the Japanese. It is an uncomfortable reminder that Churchill's obsession with 'special forces' squandered thousands of Allied lives in operations that owed more to public relations than strategic calculation. This military and moral odyssey is one of the greatest of World War II frontline memoirs.

Transcripts from General Patten's war diary covering his campaigns in Sicily, France, and Germany
