A wonderful read for lovers of Superman and also newcomers to the

world of Philosophy. The whole idea of identity and what makes

someone who they are is wonderfully explained using one of the

biggest and most popular fictional characters to transcend pop culture.

The book asks several questions such as what exactly is the American

Way?

Superman and Philosophy – What Would the Man of Steel Do ...
Superman, German Ü bermensch, in philosophy, the superior man,
who justifies the existence of the human race. “ Superman ” is a term
significantly used by Friedrich Nietzsche, particularly in Also sprach
Zarathustra (1883 – 85), although it had been employed by J.W. von
Goethe and others. This superior man would not be a product of long
evolution; rather, he would emerge when any man with superior
potential completely masters himself and strikes off conventional
Christian “ herd morality ...
