Two best friends embark on a project to study the behavior and taste of the popular girls at their elementary school so that by the time they get to middle school they too will be in the right crowd.

After spending a year studying popularity, Julie and Lydia are finally ready to put their hard-earned lessons to use in junior high. But before they can conquer the world together, Lydia's mom gets a job in London. Full color.

Lydia and Julie have been through many adventures

as they navigated junior high, popularity, families, and friendship. In the final adventure in the series, the peaceful world of Hamlin Junior High is rocked when Lydia and Julie learn that they're going to have to play host to new students whose school burned down. The outside threat bands the Hamlin kids together against a common enemy—for a while. When the enemy gets their hands on Lydia and Julie's notebook, no one wants anything to do with the girls. It's the biggest threat to their friendship (and a pretty definitive failure of their quest for popularity), and it can only be solved one way. Two words: dance battle.

Twelve-year-old best friends Julie and Lydia are

reunited after six months apart, but the news that their friend Suki's mother has died after a long illness causes them to reevaluate their goals and focus on being supportive of the friends they already have.

It's summertime, and Lydia and Julie are going on a road trip! After all the ups and downs of their first year in junior high, they're looking forward to seeing the sights and getting some new perspective on their quest for popularity. Papa Dad and Daddy will provide the transportation, and Lydia and Julie will provide the entertainment. At first they use their Powers of Observation to catalog the traditions and oddities of

each new location they visit, but soon their attention turns to parents and negotiating sensitive family dynamics. By the time the duo hits familiar streets again, they may have to accept some uncomfortable truths, but their journey is infused with the humor, heart, and truthfulness that Amy Ignatow is known for.

Embarking on a road trip with Papa Dad and Daddy after surviving their first year in junior high, Julie and Lydia catalog the traditions of each new location they visit before confronting uncomfortable truths about family dynamics.

Fresh off their epic summer road trip, Lydia and Julie are back and ready to take seventh grade by storm. Well, Lydia is: she wants to start a band, and she's convinced Julie to join her. The Macram. Owls are joined by Roland (expert at the hardingfele) and Jane (expert at drama). None of them, unfortunately, are experts at rocking out. The band needs more practice, but instead Lydia and Julie find themselves riding an unexpected wave of popularity thanks to their own belated birthday party. The girls may have accidentally stumbled upon the secret to popularity—if only the secret weren't so completely humiliating. Hilarious, observant, and honest, this installment of the series has all of Amy Ignatow's

From the renowned author/illustrator of the Popularity Papers series, Amy Ignatow, comes the first installment in a new series about a diverse crew of middle school kids who develop very limited superhero powers after a strange accident and manage to become unlikely friends on the adventure of a lifetime. When a sweet nerd, an artsy cartoonist, a social outcast, and the most popular girl in school are involved in a mysterious bus accident, this seemingly random group of kids starts to notice some very strange abilities they did not have before. Artsy

Martina can change her eye color. Nerdy Nick can teleport . . . four inches to the left. Outcast Farshad develops super strength, but only in his thumbs. And Cookie, the It Girl of school's most popular clique, has suddenly developed the ability to read minds . . . when those minds are thinking about directions. They are oddly mighty—especially together. This group—who would never hang out under normal circumstances—must now combine all of their strengths to figure out what happened during the bus accident. With alternating narratives from each of the heroes, including illustrated pieces from Martina, and featuring bold female superheroes and a multicultural cast, *The Mighty Odds* is *The Breakfast Club* for a new

apply her hard-earned friendship lessons to founding their own crew. But bad news interrupts their reunion: their friend Suki's mother, ill for many years, has passed away. This shakes Lydia and Julie, who reevaluate their goals and decide to focus more on being supportive of the friends they have.

Unfortunately, their well-meaning schemes almost immediately start to go awry, and everyone seems to be mad at them for reasons beyond their control. How can they be better friends when no one seems to want to give them the chance? As always, Julie and Lydia's hilarious back-and-forth notes form the backbone of the novel, in which Amy Ignatow reveals all-too-real truths about friendship and loyalty.

Love is in the air! Julie and Roland are an official “couple,” which means . . . well, they’re not exactly sure what, except that it makes Papa Dad extremely anxious. Meanwhile, Lydia’s mom announces that she’s marrying Coach Eric (the soccer coach from England), and Lydia and her sister, Melody, are not happy about it. With the wedding date looming, the girls will have to figure out how to accept the inevitability of change—and that even if the change isn’t what you thought you wanted, it can still end up all right, as long as you have good friends at your side.
