The Wedding Rescue, Book 2 by Alexa Wilder

Directed by Sobey Martin. With James Stacy, Wayne Maunder, Andrew Duggan, Elizabeth Baur. Scott and his friend Josh, a Lancer ranch hand, try to rescue Josh's fiancée, who was kidnapped by outlaws during the wedding ceremony.

She thinks she's not his type. He's determined to prove her wrong. Leigha Carmichael is used to the quiet life. A junior accountant by day, she knows girls like her don't have exciting lives. She's smart, shy and her curvy body doesn't fit in among the beauty queens of Las Vegas. Still reeling from her ex-boyfriend's betrayal, Leigha's sworn off all men. Except she has a huge problem, and only the right man can solve it. The moment he sees her across a crowded bar, Dylan Kane knows he wants her. And Dylan Kane always gets what he wants. Especially when the object of his desire is sitting in his own casino. She's nothing like the skinny, overly made up women he's used to. From her clear gray eyes to her luscious curves, Leigha is the real thing. Exactly the change of pace he's been looking for. And even better, she needs something from him. With the bargain he has in mind, they'll both get exactly what they want. In the few days she's his, Dylan plans to take control of every delectable inch of Leigha's body. But when the weekend is over, will he be able to let her go?

Chloe Henson is in love with her boss. Completely, totally, head over heels in love. She knows he doesn't feel the same way - she doesn't expect him too. Sam Logan is successful and wealthy, and he only dates supermodels. When he could have any woman in Las Vegas, why would he want his shy, abundantly curvy assistant? Determined to ignore her heart, Chloe puts her feelings on hold. But when her brother disappears, and she ends up in the cross-hairs of the Russian mob, she has nowhere to turn. Except to Sam. Sam Logan has a problem. He has a thing for his assistant, but he knows he can't act on it. Chloe's the best assistant he's ever had, and over the three years they've worked together, she's become his best friend. Chloe is so shy, he knows one wrong move will send her running. When her irresponsible brother rips off a mob boss and vanishes, Chloe is in danger, and Sam's tired of waiting to make his move. The best way to keep her safe is to make her his. But with bullets flying and betrayal around every corner, can Sam convince Chloe that this is more than just a fling?

Emma Wright is in over her head. Three months ago her life was perfect: amazing job, shiny new MBA, great friends. When her job turns into a nightmare overnight, Emma feels like her life is going down the tubes. The only bright spot is her hot new boyfriend. He's the man of her wildest dreams; sexy, smart, sweet, and a master of

her body between the sheets. He can't seem to get enough of her full-figured curves, so it's too bad she's starting to think he's keeping dangerous secrets. Axel Sinclair likes control. At work, at home, in bed. He gets what he wants, and he never loses. Not until he meets Emma Wright, and she turns his well-ordered life upside down. Emma was supposed to be a job - getting his hands all over her luscious body was only a bonus. Before he knows it, Axel is in deep. Axel is sure Emma's guilty as hell. Can he do his job and bring her down? Or will he follow his heart and claim her for his own?

BOOK ONE EXCERPT: I saw her across a crowded room. It's such a cliché, especially for me. I see beautiful women across crowded rooms all the time. The Delecta was my casino, and she was sitting at my bar. It's hard to say what made me stop. She wasn't a showgirl or a model, and nothing like the tall, skinny, overly made up women I was accustomed to. No, she was something else. She was real. When was the last time I'd had real? Real curves, generous enough to have her hips straining the seams of her navy blue dress. Real tits. Had to be. They were soft and full, even from a distance. They, too, strained against her dress. Mouthwatering. And her lips. A plump bow, ready to open for me. I had to see more.

Cami Hendricks has a lot on her plate. She's a single mom, works full-time, and her ex is a nightmare. Plus, every time she sees her mother, Cami has to tolerate her jabs about her weight. As if all that wasn't enough, the first guy Cami thinks she might really like seems to be playing games with her. His hot and cold attitude is not what she needs, especially with her ex playing hardball for full custody of her daughter. Drew Sloane is torn - he can't get Cami out of his mind. Ever since he met her at a party, all he can think of is her beautiful face and her luscious body. But the timing couldn't be worse. Before he can dedicate himself to winning Cami, Drew has a delicate personal situation he has to clear up. Now that Cami has lost all trust in him, can he convince her that she's all he wants?

BOOK ONE EXCERPT: She allowed him to lead her towards the beach, where they both sat down in the sand and stared out at the ocean. Or rather, it was Cami who was staring out at the ocean. After a moment, she realized that Drew was staring at her. She turned her eyes towards him, and her breath caught at the his hungry look. One moment they were staring at each other, the next, they were kissing. Cami didn't know how it started, but what she did know was that Drew's lips were suddenly on her own, hard and hungry, his tongue seeking entrance into her mouth. For a split second, Cami froze. She had not been with a man since her divorce and hadn't planned on being with one now. But Drew had been so sweet, and he was so sexy, and his lips felt delicious against her own. So Cami finally allowed herself to relax, leaning into the kiss and opening her mouth to let him in.

NEW YORK TIMES BESTSELLER - OPRAH'S BOOK CLUB PICK - The Pulitzer Prize-winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. "An instant American classic."--Dwight Garner, *The New York Times* "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power--which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people--including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others--she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under

the surface of ordinary lives and of American life today.

The Pulitzer Prize-winning photojournalist returns with a stunning collection of more than two hundred of her photographs from across the Middle East, South Asia, and Africa. Featuring revelatory essays from esteemed writers, such as Dexter Filkins and Suzy Hansen, and public figures, like Christy Turlington, *Of Love & War* is an utterly compelling and singular statement about the world, and all its inescapable chaos and conflict, from one of the most brilliant and influential journalists working today in any medium.

Fighting Destiny series # 1 Reissue originally published 2012 Set in a dark and crumbling near-future... Navy SEAL LT Shane Laughlin was dishonorably discharged and blacklisted—for being too honorable. Desperate for work and down to his last ten bucks, he takes a job as a test subject—a human guinea pig—at Boston’s Obermeyer Institute, a fringe scientific research facility. Shane’s skeptical when he finds out that OI’s focus is to find and train certain exceptional people, usually young girls—called “Greater-Thans”—whose skill-sets include telekinesis, telepathy, rapid self-healing, and super-human strength. And he’s even more surprised when he discovers that Mac, the mysterious woman who rocked his world in an epic one-night stand, is part of an elite team of kickass OI operatives who use their G-T skills to rescue and protect innocents. Because OI’s not the only organization trying to find Greater-Thans—and the other guys are out to exploit them. An illegal drug called “Destiny” is being made from the blood of young, untrained, and powerless Greater-Than girls. Addictive and dangerous, it gives its wealthy and reckless users instant G-T powers—including eternal youth—at a lethal price. Dr. Michelle “Mac” Mackenzie and her OI team are at war with the shadowy corporations who enslave girls to meet the rising demand for Destiny, and Shane wants to join them. He may not be a G-T, but as a former Navy SEAL, he’s got talents of his own. Still, Mac’s got powerful reasons to keep her distance from Shane. But when one very special little girl goes missing, Mac’s ready to do anything—including accept Shane’s help—to find and save her. Mac’s used to risking her life, but she now faces sacrificing her heart... Originally published in 2012 (170,000 words, original hard cover edition was 513 pages)

Emily I tried to say no. I did more than try, I flat out turned him down. Repeatedly. But Tate Winters doesn't take no for an answer. He's smart, hot, and he knows how to get to me.
