Mercy and Peter are happily expecting their first child, when perfectly preserved body parts start turning up all over Savannah and Mercy fears for her unborn child.

Aged Mother Jilo is wise in the ways of magic...but once upon a time, she was just a girl. 1950s Georgia: King Cotton has fallen. Savannah is known as the "beautiful woman with a dirty face," its stately elegance faded by neglect, its soul withering from racial injustice and political corruption. Young Jilo--fiercely independent, intelligent, and ambitious, but thwarted by Savannah's maddeningly genteel version of bigotry--finds herself forced to embrace a dark power that has pursued her family for generations, an ancient magic that may prove her salvation...or her undoing. Explore the fascinating history of one of the Witching Savannah series' most vivid and beloved characters, as the resourceful and determined Jilo comes of age, strives to master formidable magical skills in the face of overwhelming adversity, and forges her strange destiny against the turbulent backdrop of the civil rights struggle in the American South.

"Magic is seeping out of the world, leaving the witches who've relied on it for countless centuries increasingly hopeless. While some see an inevitable end of their era, others are courting madness--willing to sacrifice former allies, friends, and family to retain the power they covet. While the other witches watch their reality unravel, young Alice Marin is using magic's waning days to delve into the mystery of numerous disappearances in the occult circles of New Orleans. Alice disappeared once, too--caged in an asylum by blood relatives ... Discovering the cause of the vanishings, though, could be the only way to escape her mother's reach while determining the future of all witches"--Amazon.com.

The struggle for power continues in the sequel to The King of Bones and Ashes from Wall Street Journal bestselling author J.D. Horn. With their magic diminishing, warring factions of New Orleans witches desperately search for the Book of the Unwinding--a legendary grimoire, hidden by spells, that holds the key to unimaginable powers. As a ruthless struggle erupts in a maelstrom of malevolent magic, psychic Nathalie Boudreau finds her destiny intertwined with that of an exiled witch. Her name is Alice Marin, a vulnerable young woman trapped in a realm of illusion. Only Nathalie can free her, but first she must come to understand and master her own extraordinary abilities. Now, in a world where betrayals have become the order of the day, it will fall to two women to restore rightful balance amid terrifying chaos.

The war between witches reaches its terrifying climax in the final book in Wall Street Journal bestselling author J.D. Horn's spellbinding trilogy. Once caged in an illusory realm by blood relatives, Alice Marin has been freed into a world where the last remnants of magic are quickly passing away. Dissolving with them is the unity among witches...and their sanity. Grappling with the revelations of her true parentage--and her burgeoning relationship with Nathalie Boudreau, a psychic with her own demons--Alice and her allies, both living and dead, must draw on every skill they possess. It's the only way to defeat the destructive forces borne of the horrifying history of Alice's own family. That means unlocking the final secrets of The Book of Unwinding. Now, on the longest night of the year, the streets of New Orleans will become a battleground as Alice and the few she can trust engage in a war amid the final days of magic. But the revelations that lie ahead may be too dark to escape.
